# BACKPACK FULL OF CASH

**NARRATED BY MATT DAMON**

*Happy Holidays from the Backpack team! A new year, a fresh start.*

Backpack Full of Cash team gathering in New York December 2018

**We are planning some exciting new initiatives for 2019!**

With over 300 BACKPACK events behind us, we're expanding our community screening campaign to bring new voices to the conversation about the impact of

privatization on public education. **We want to help decision-makers understand what is at stake.**

**We've heard from our supporters:** a screening followed by a discussion is a **great** way to fire up a crowd in advance of a trip to the state house, city hall, or even to Washington D.C. [Contact us](#) about a special Legislative Discount just getting underway.

**To reach new audiences,** we will launch the Spanish subtitled version of BACKPACK FULL OF CASH, **Una mochila ilena de dinero**. The Spanish trailer, Discussion Guide, Screening Handbook, posters and more can now be [downloaded from our website](#). Interested? Fill out our short [Host A Screening form](#) and add a note in TELL US MORE.

**Plus, we'll keep the school privatization discussion going on social media,** by posting stimulating news and opinion pieces on [Facebook](#), [Twitter](#) and [Instagram](#). **Please read, like, comment and share!** Join the thoughtful conversation

***Wishing all of our supporters a joyous holiday season and very best wishes for a productive and happy New Year!***
